

Noah & the Ark

God told Noah He was going to send a great flood to cover the earth and destroy all of the bad people.

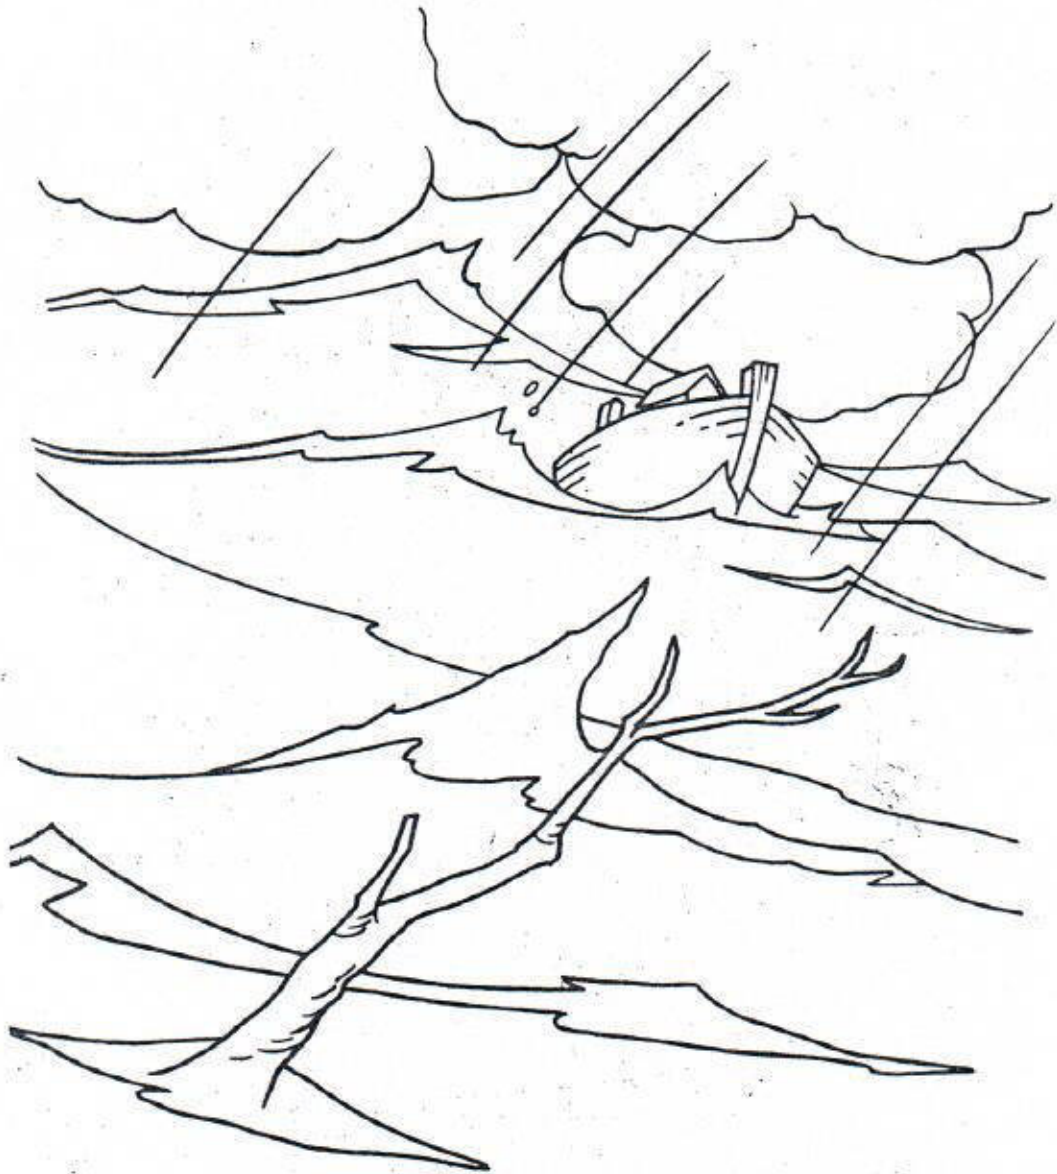

God knew that Noah was a good man and told him to build an ark to keep his family safe.

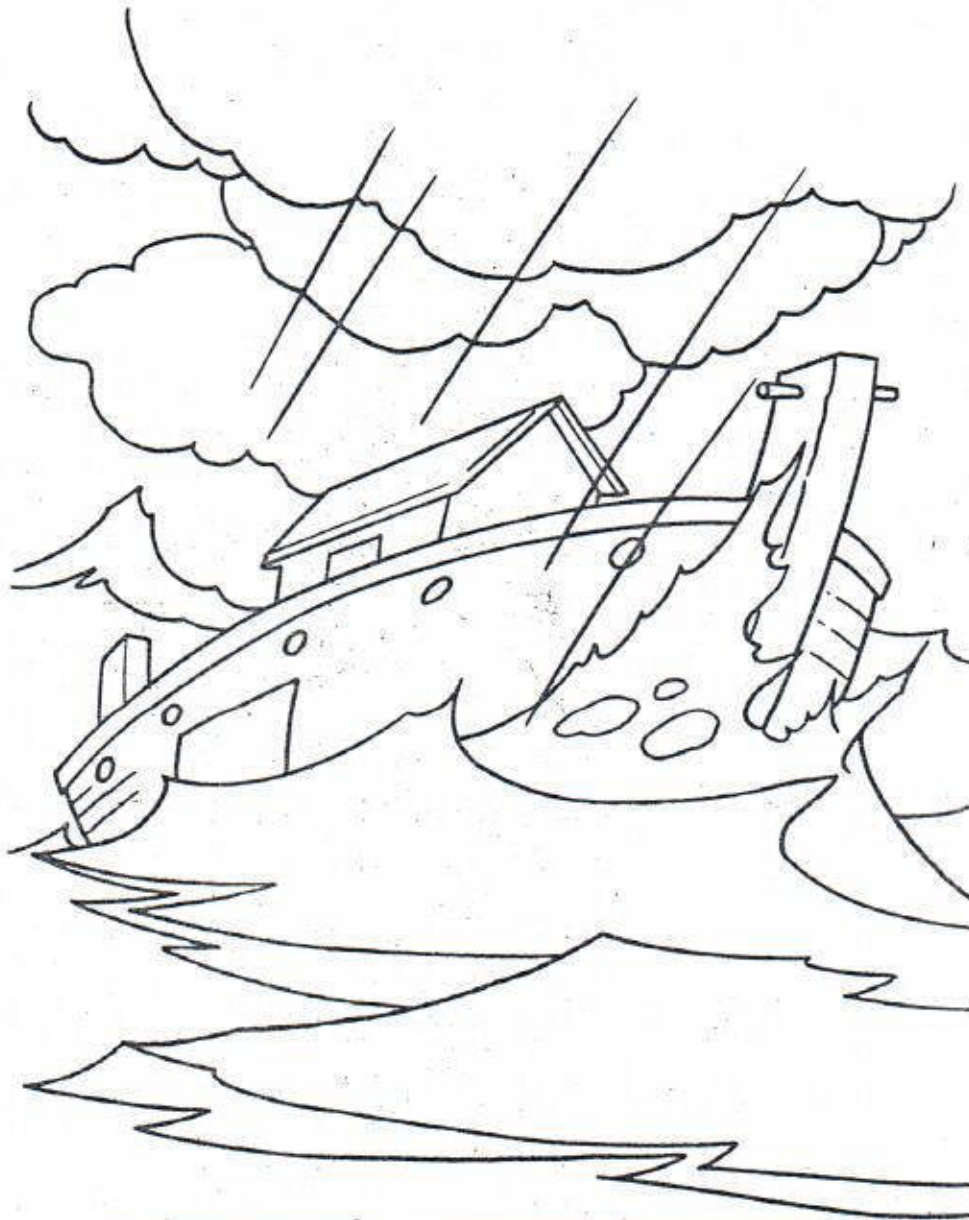

He told Noah to gather up 2 of every animal
and put on the ark.

The rain started and continued for
40 days and 40 nights.

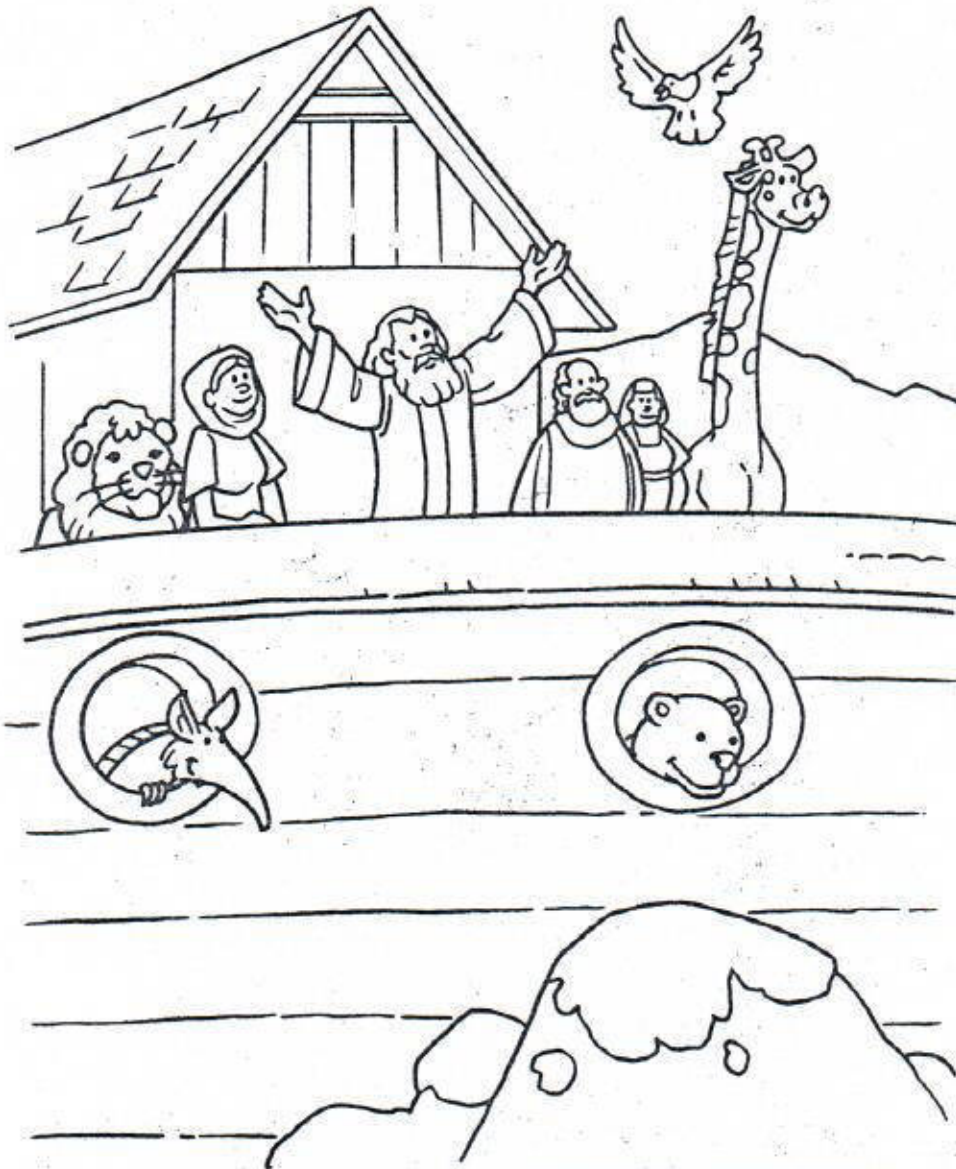

Everything on the earth was covered
with water and destroyed.

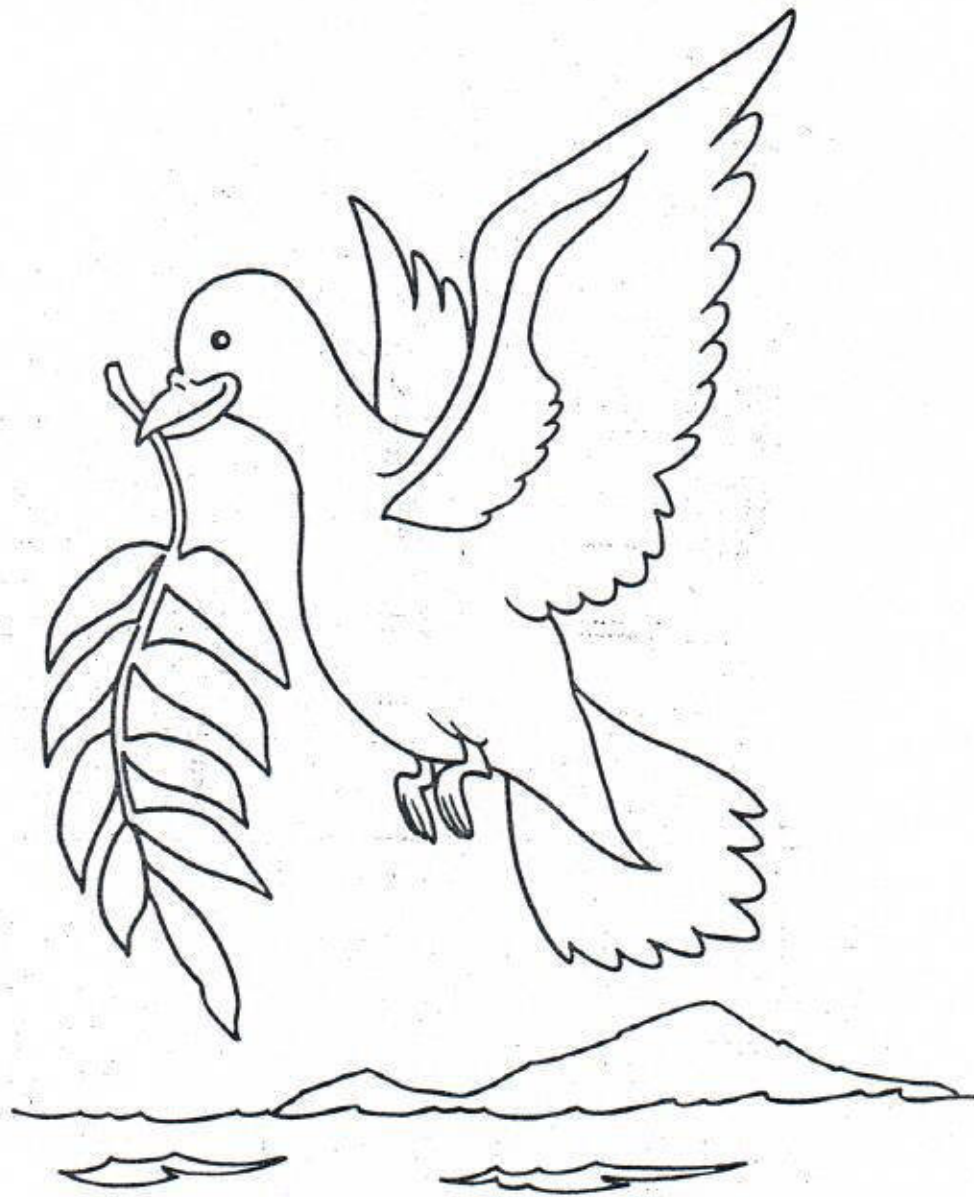

Everyone and everything on the ark was saved.

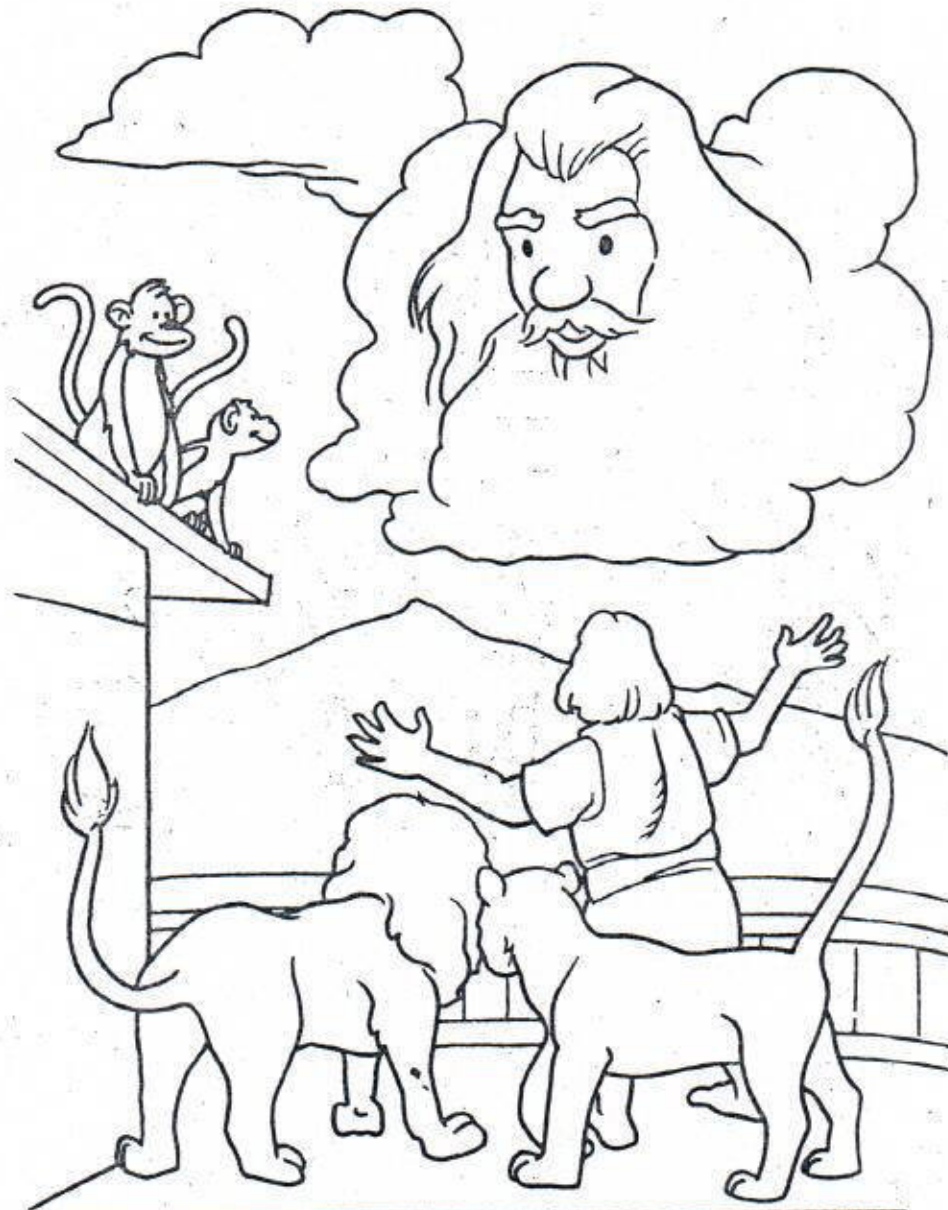

After 40 days the rain stopped and the ark
came to rest on Mount Ararat.

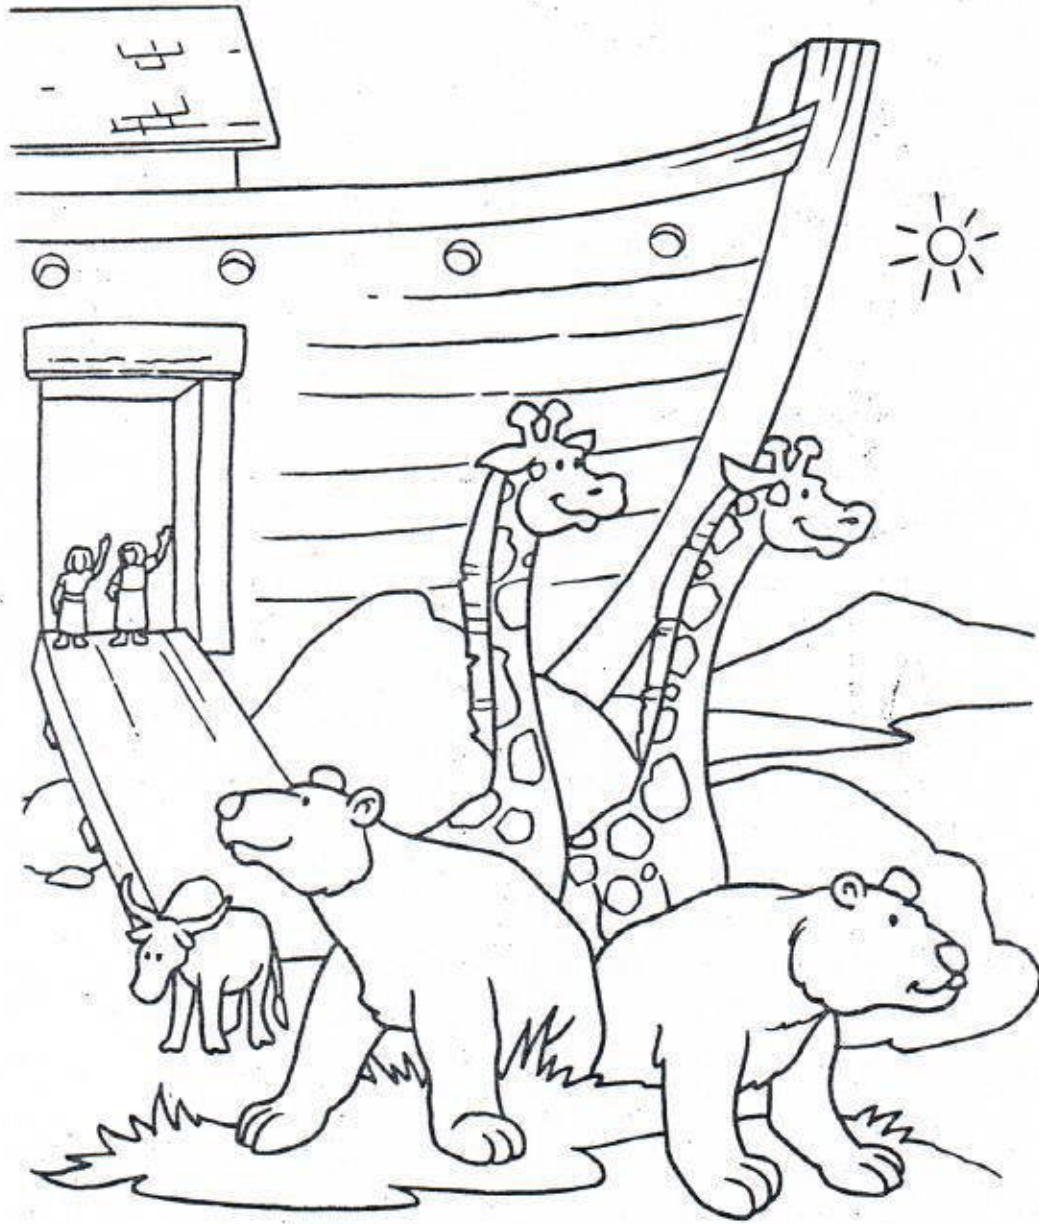

Noah let a dove go to see if there was any dry land.
The dove returned.

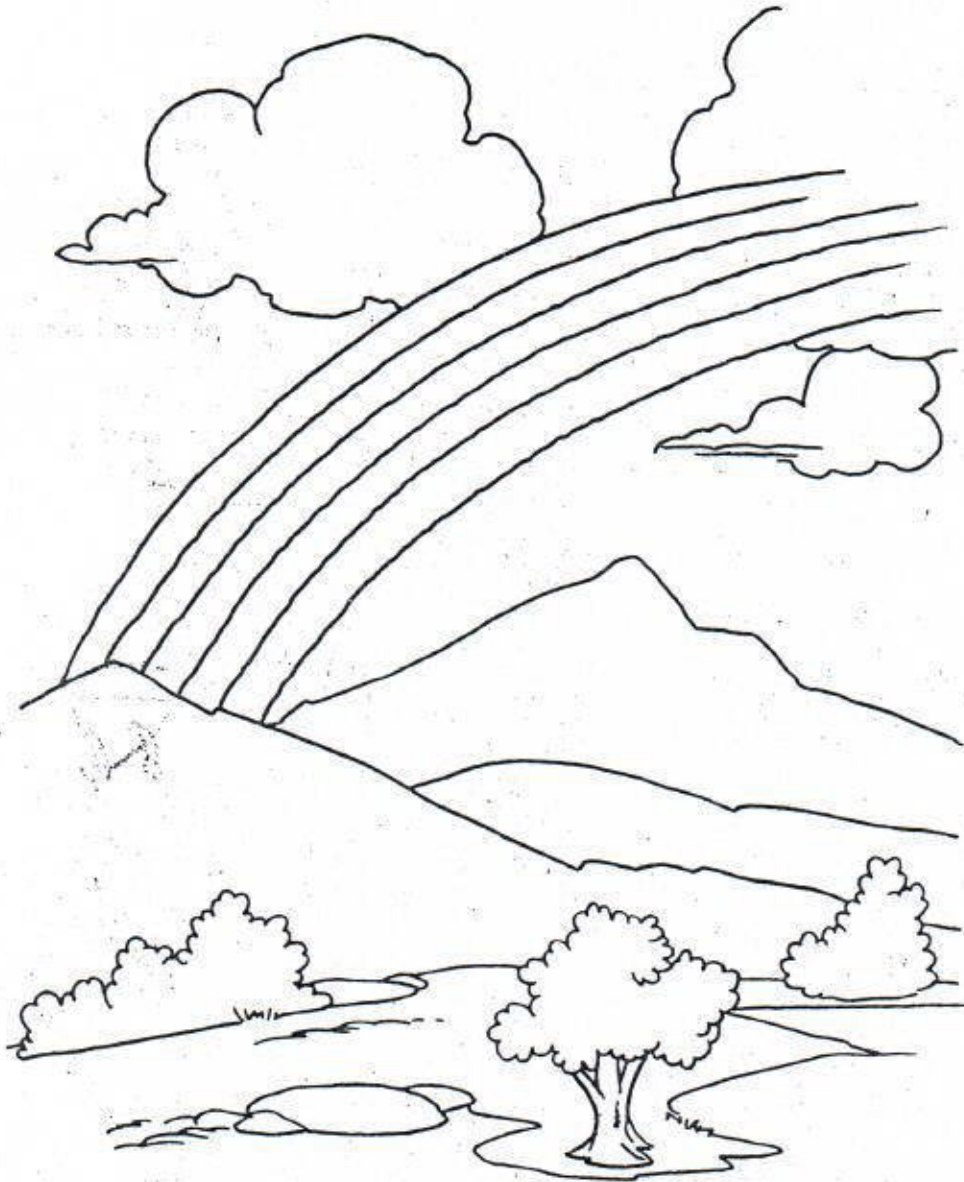

After a week he sent the dove out again and this time he returned with an olive branch.

God spoke to Noah and told him it was safe to let the animals out of the ark.

God promised Noah and his family that He would never send another flood to destroy the earth.
