

# **The Beginning**

"In the beginning God created the heavens and the earth."  
GENESIS 1:1

God made the whole world and everything in it.

On the third day, God made trees.

On the fifth day, God made birds.

God created all kinds of animals...

...even snakes.

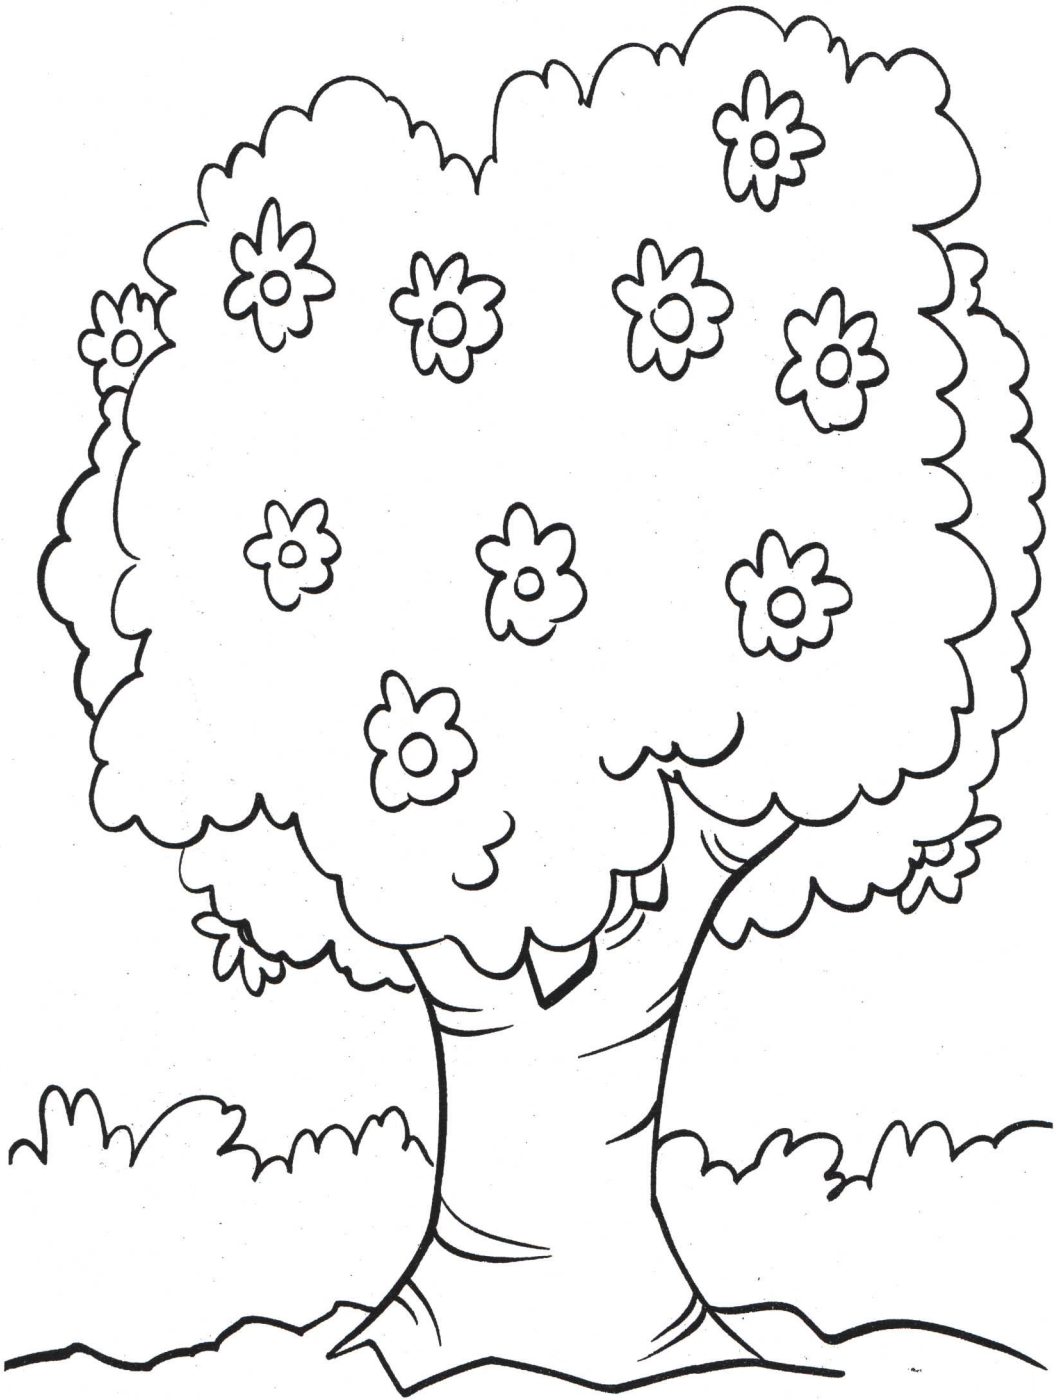

The first man was named Adam.

The first woman was named Eve.

God made a special place for  
Adam and Eve called the Garden of Eden.

There were many good things to eat there.
