

The Story of Noah

God told Noah to build an ark.

Noah's family helped him build the ark.

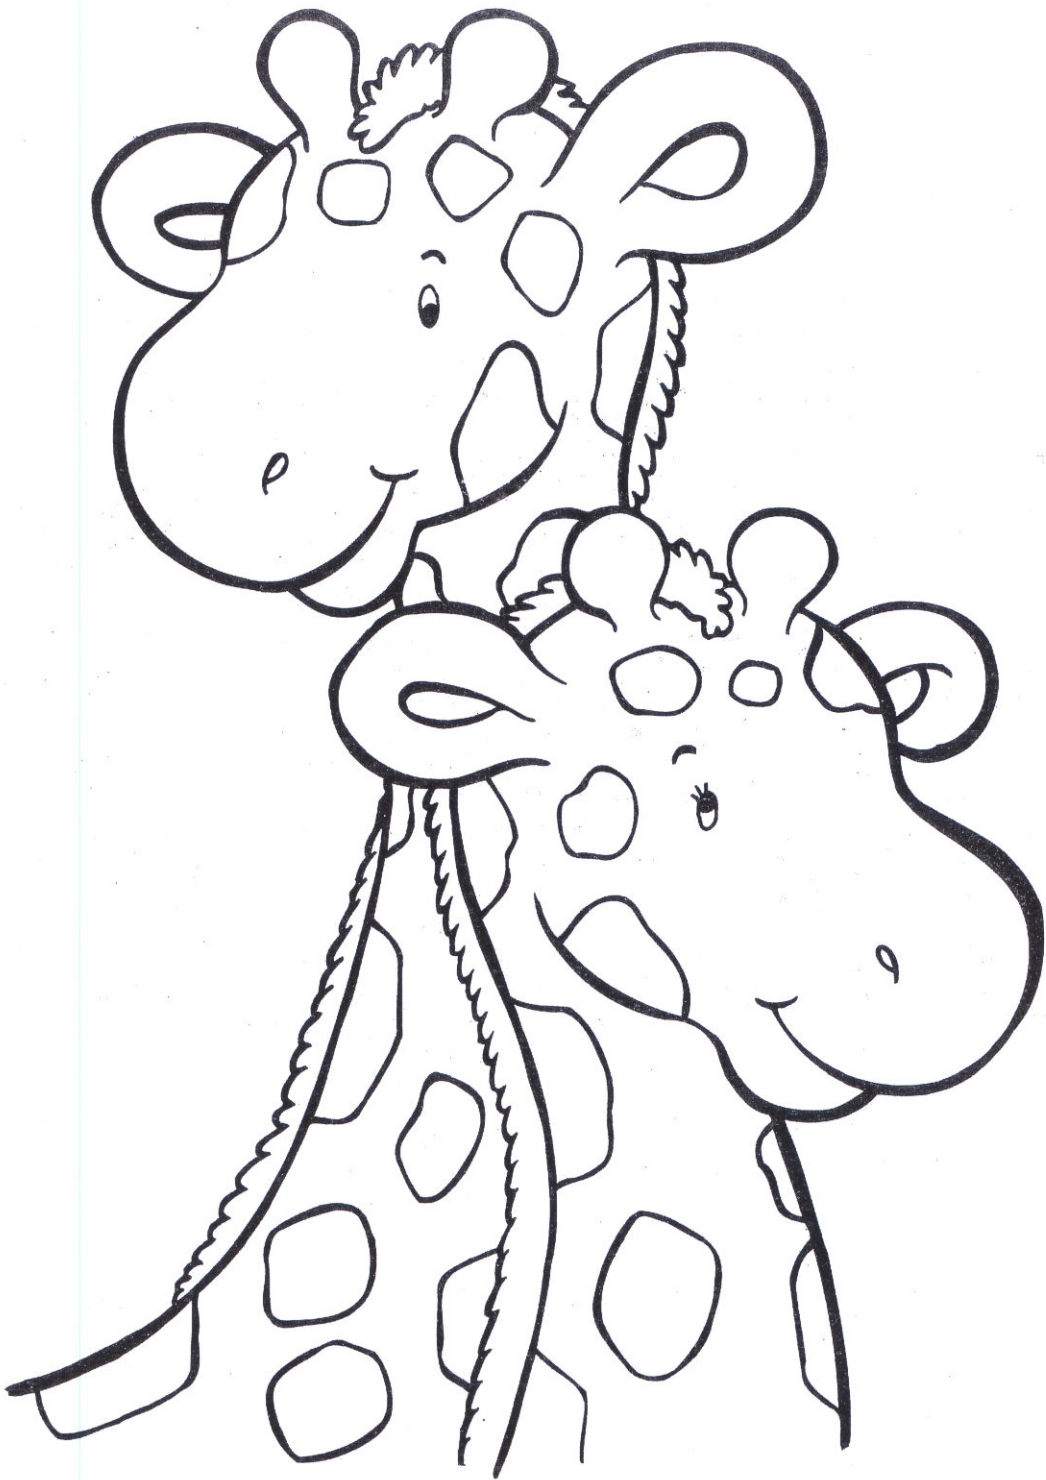

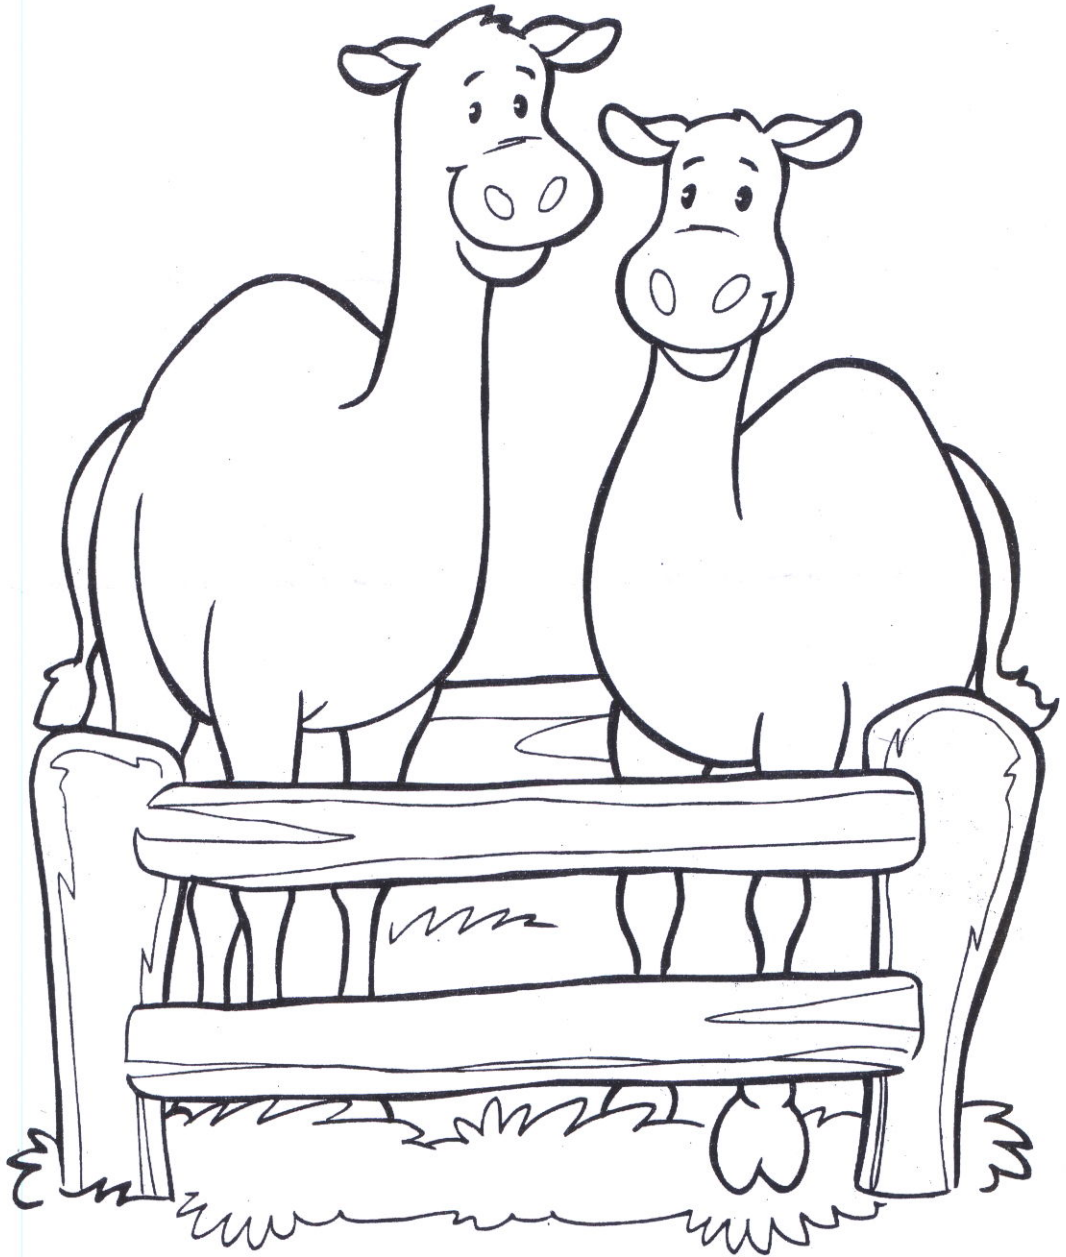

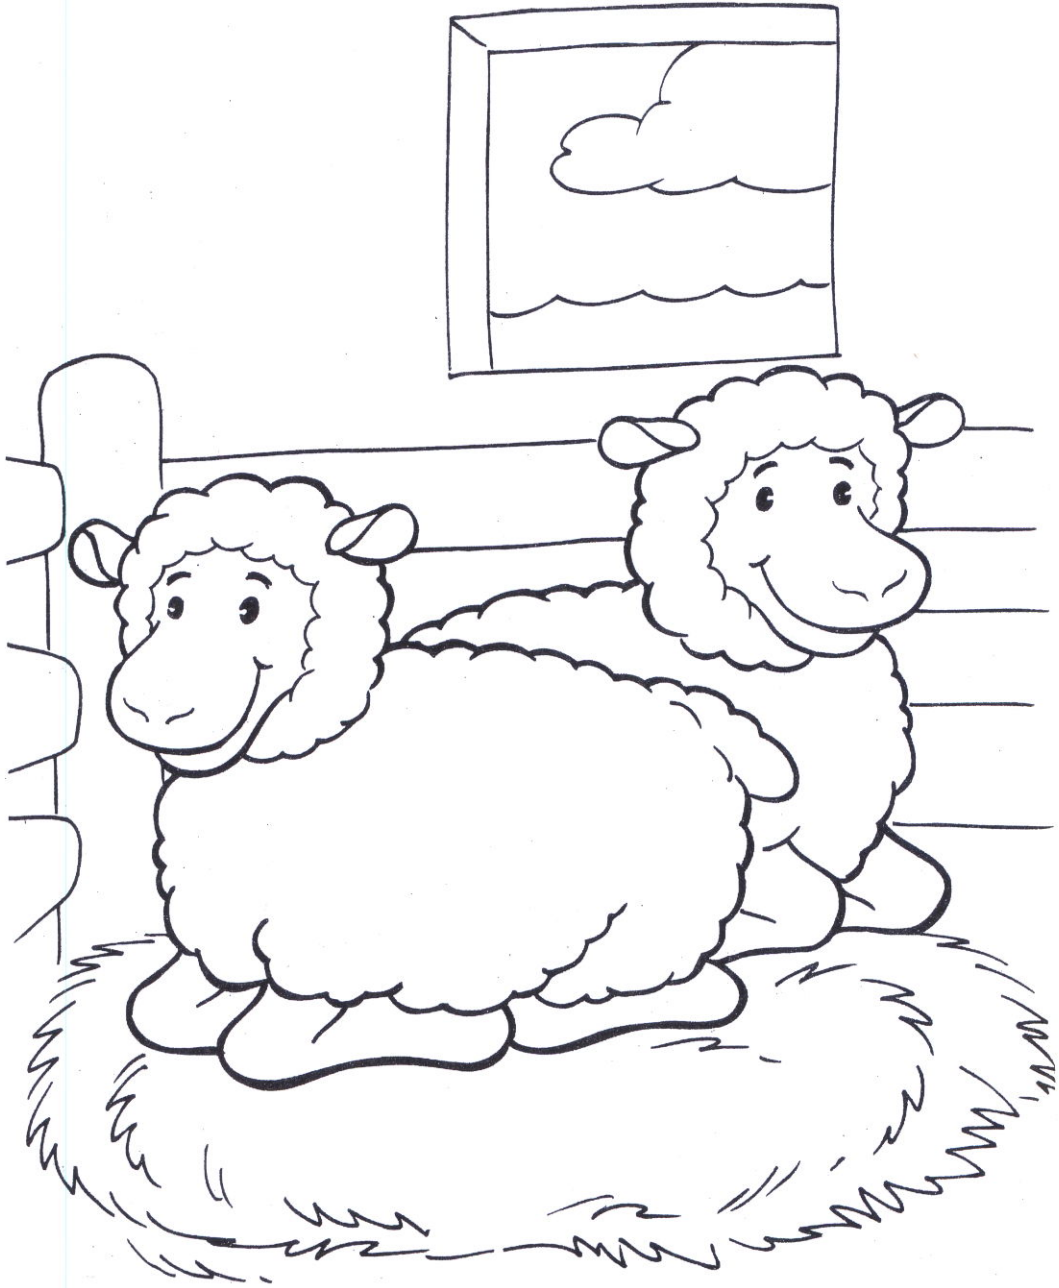

God helped Noah gather all the animals into the ark.

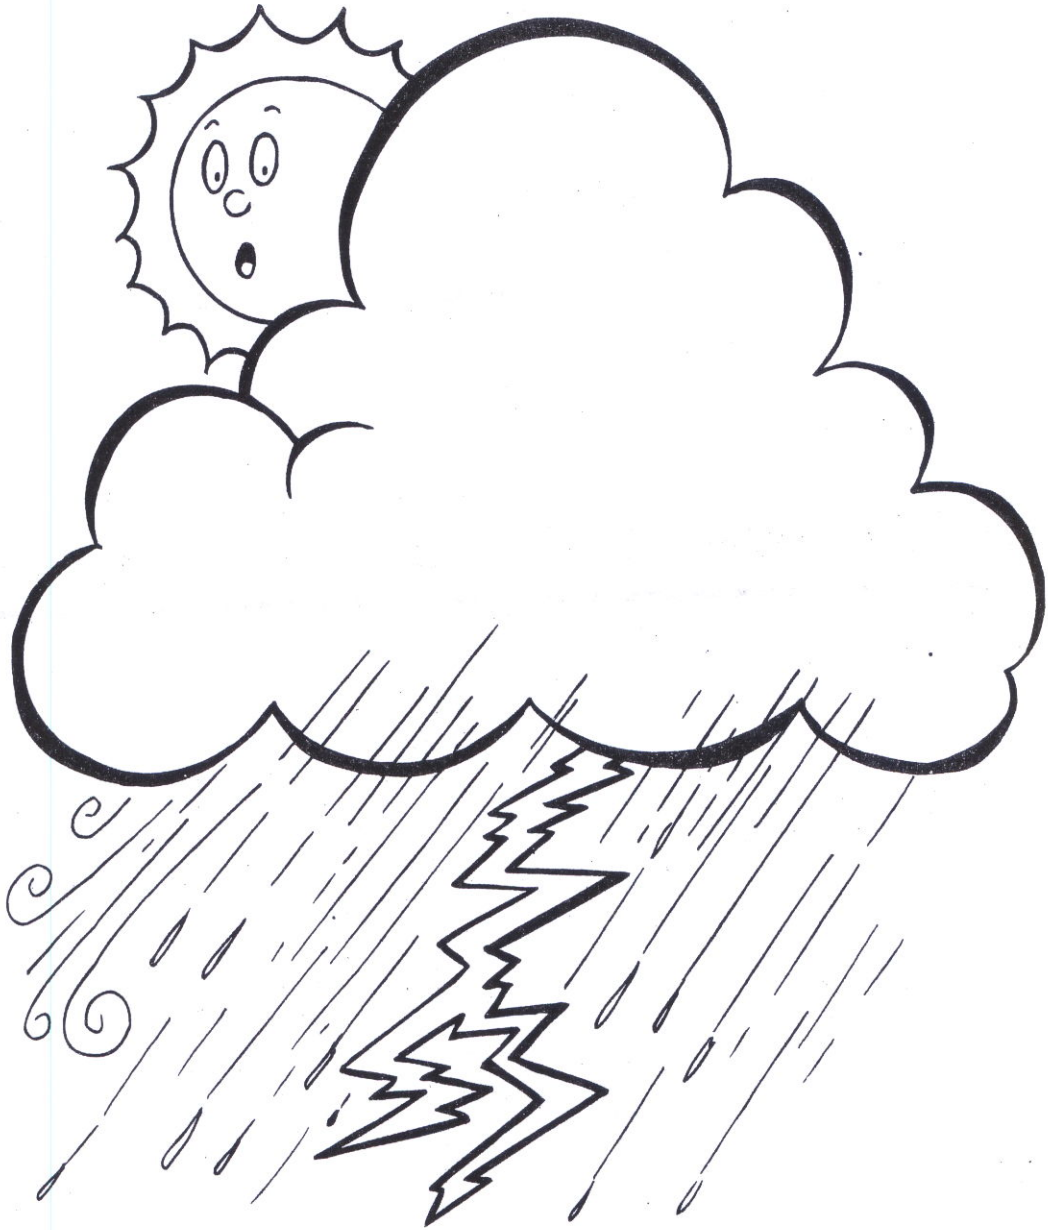

After Noah gathered the animals into the ark,
God shut the door and it started to rain.

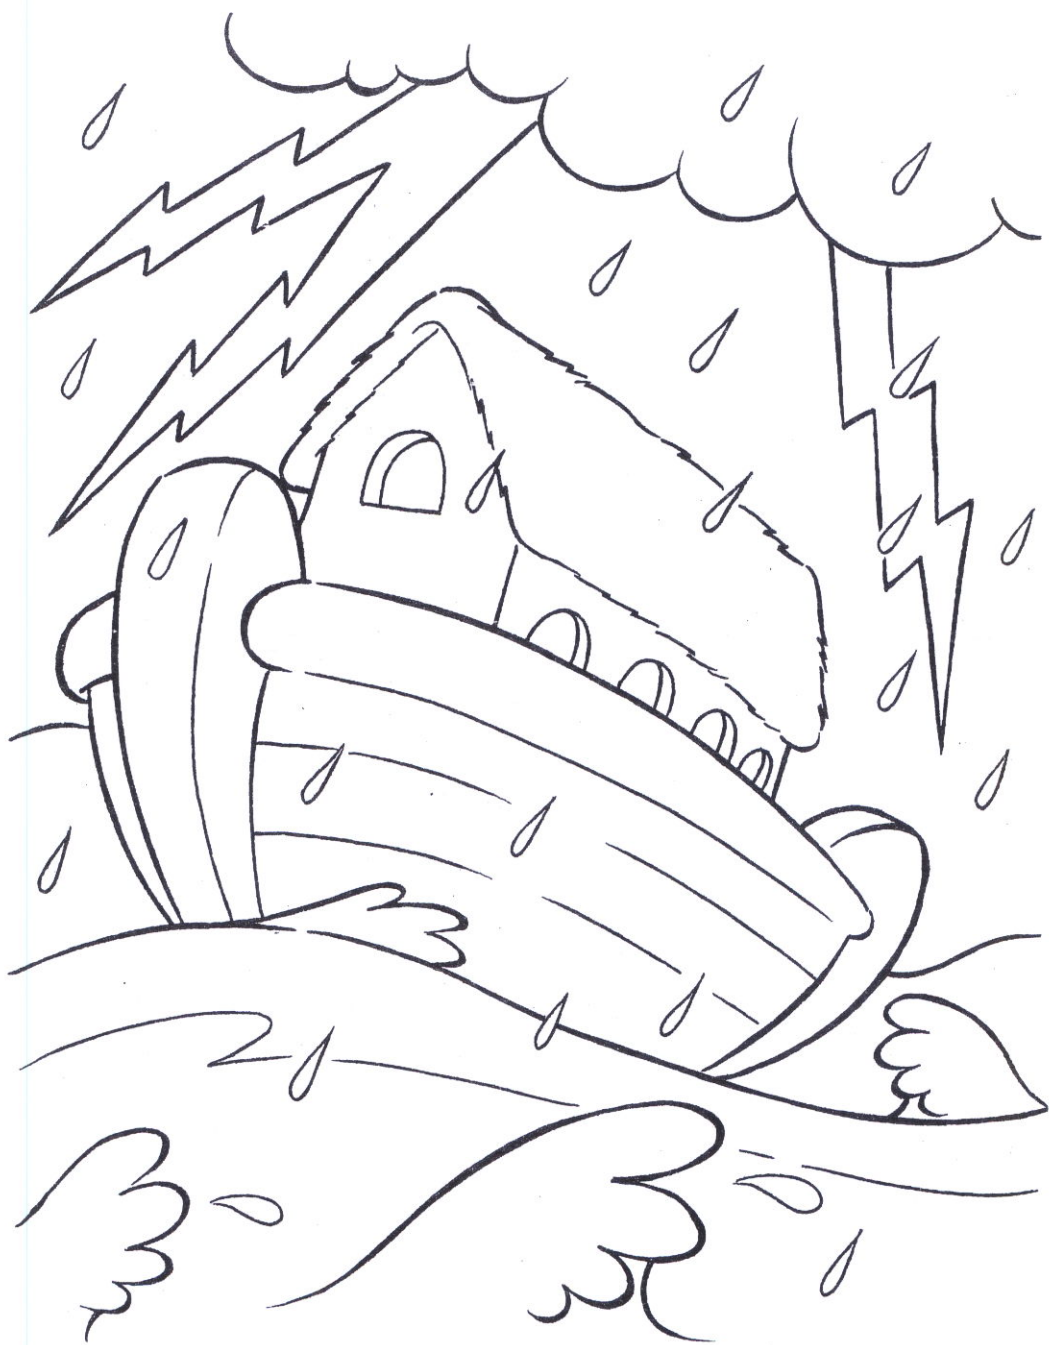

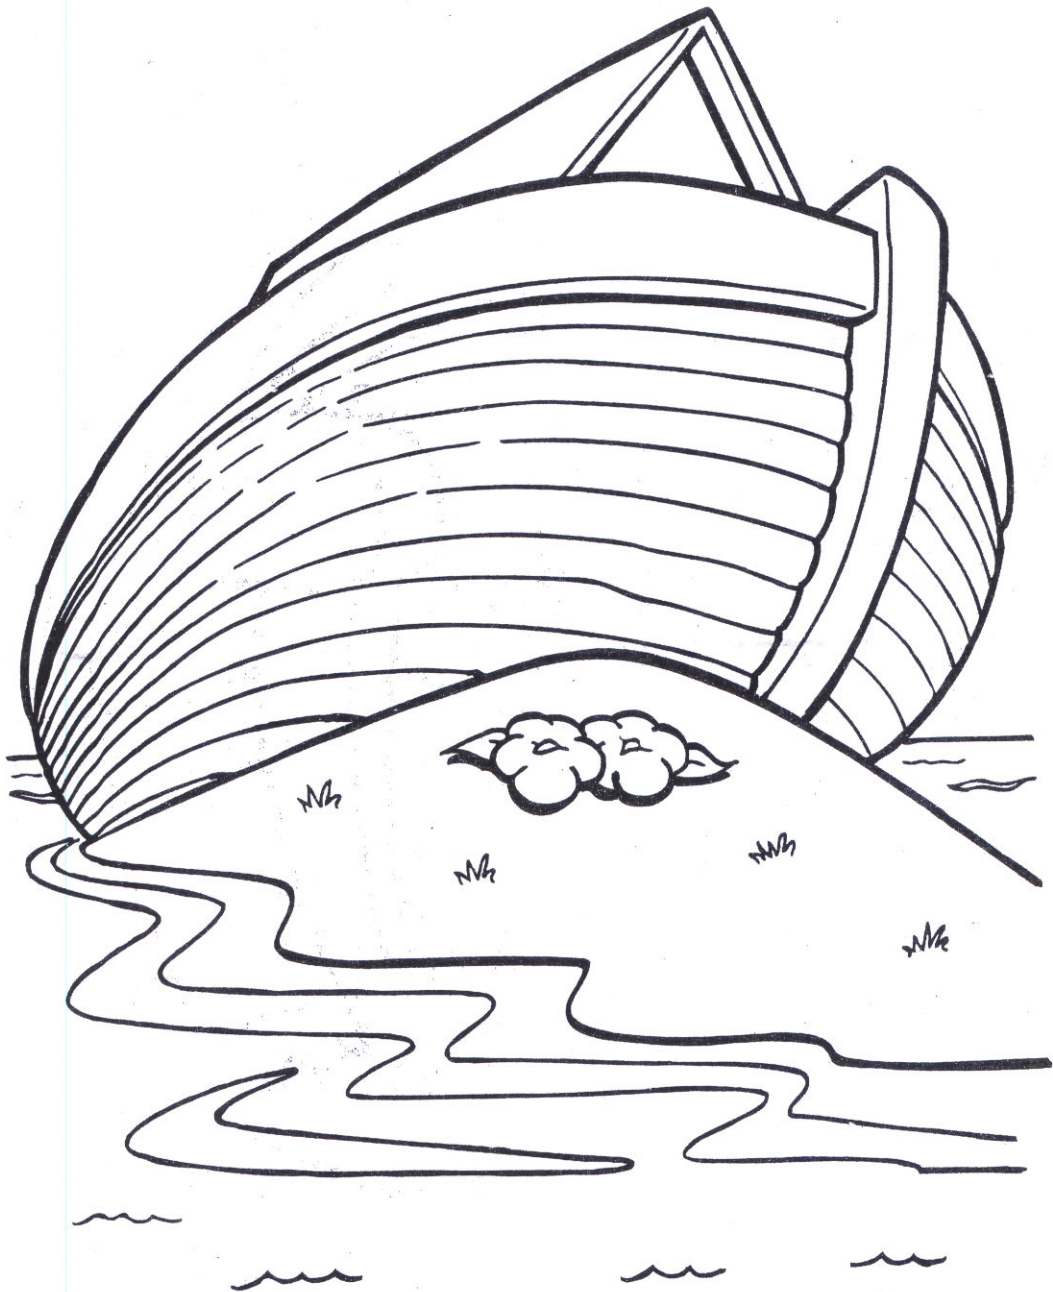

As the waters of the flood got higher,
the ark began to float.

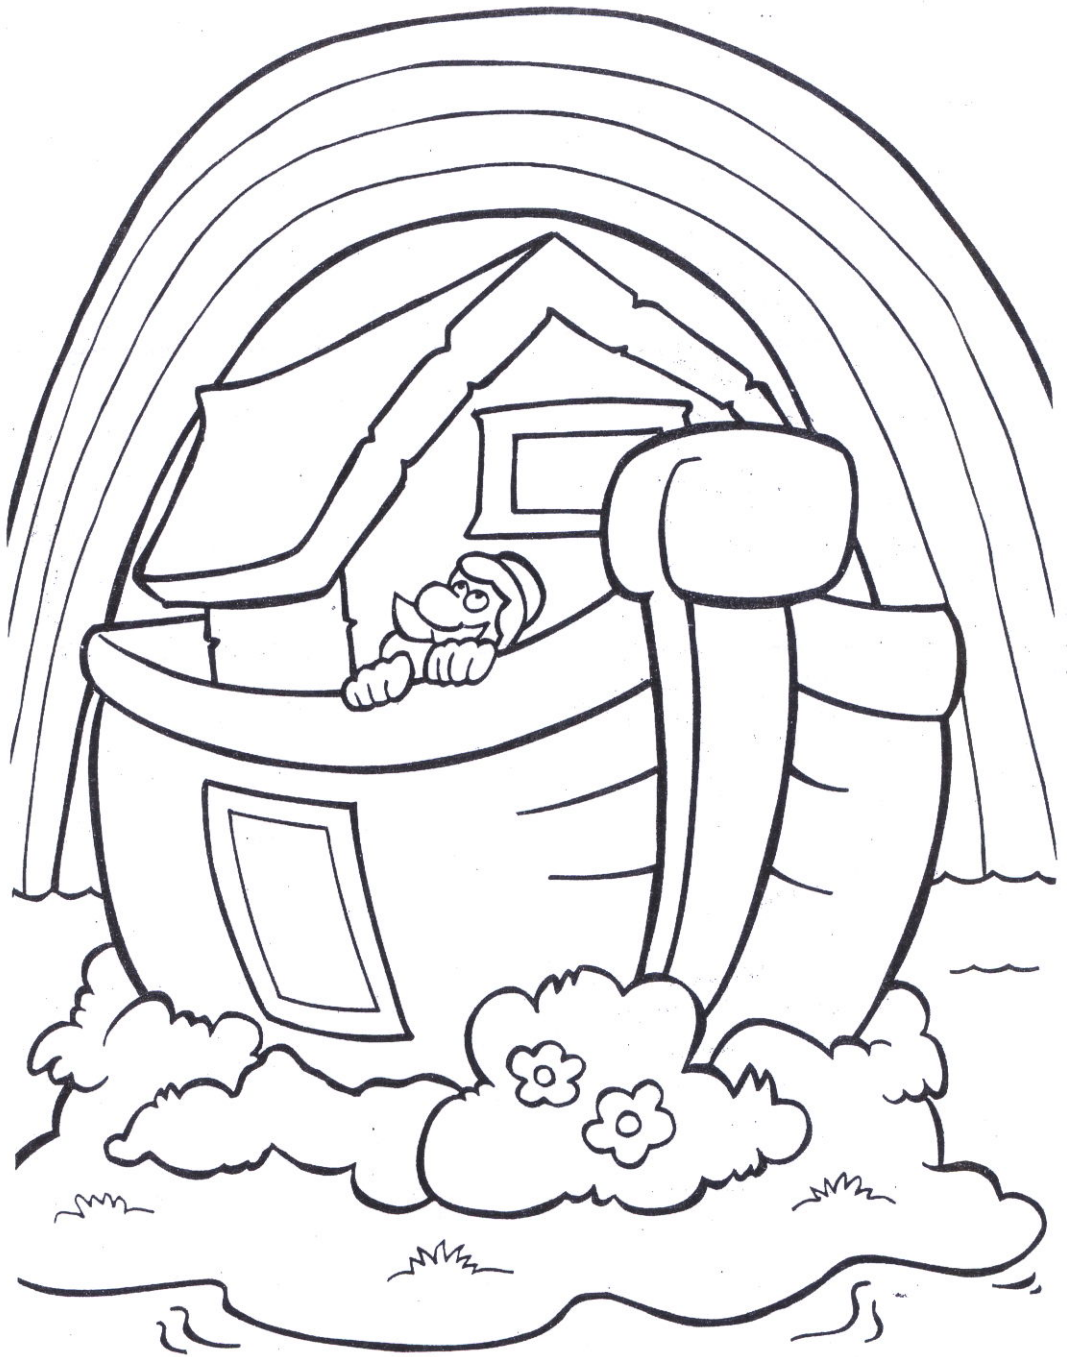

It rained for 40 days and 40 nights,
but Noah and his family were safe inside the ark.

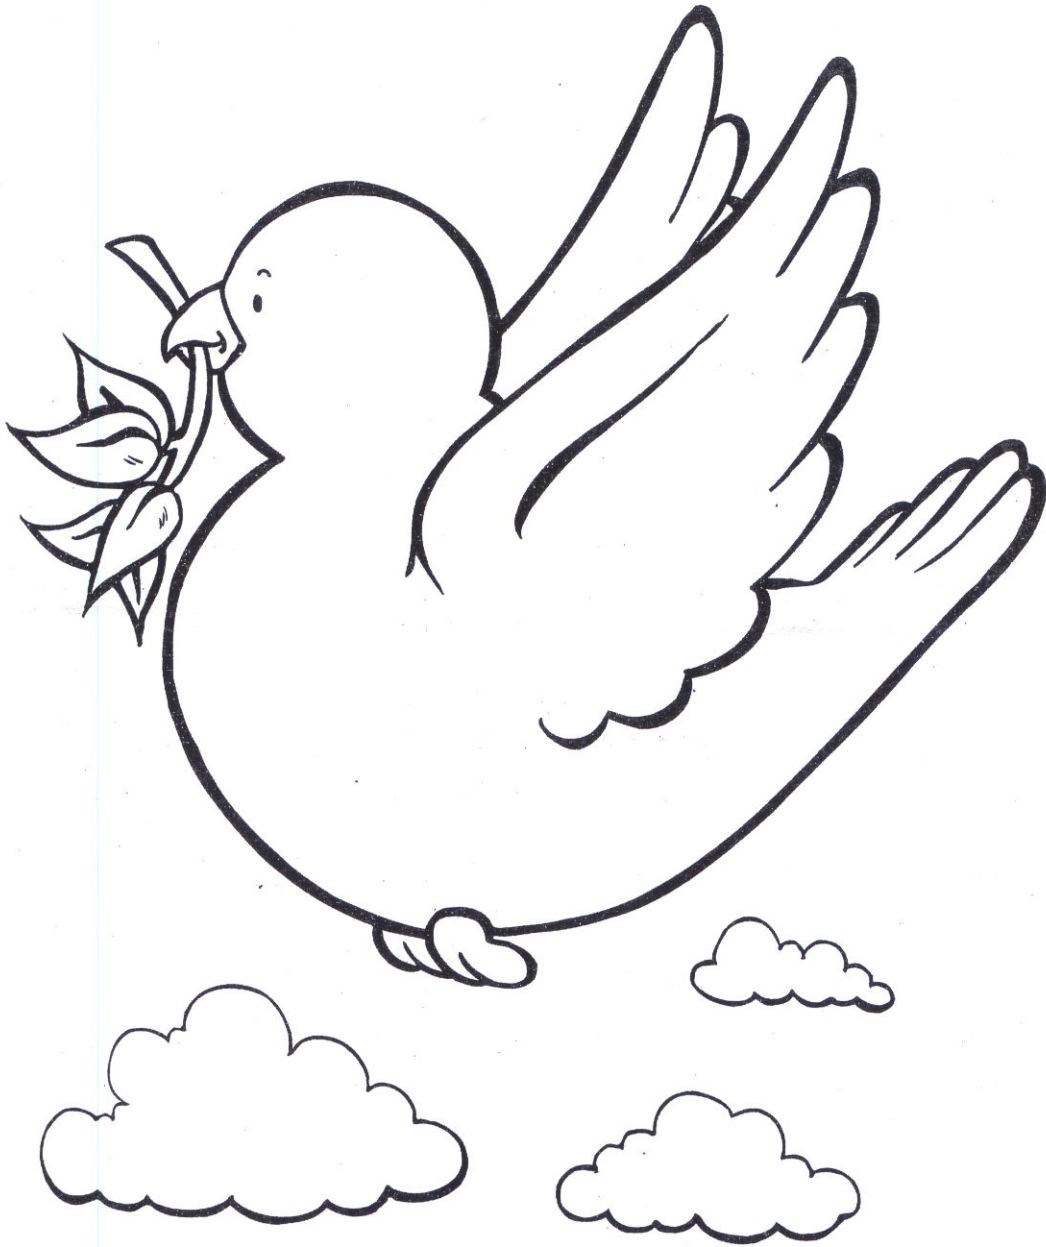

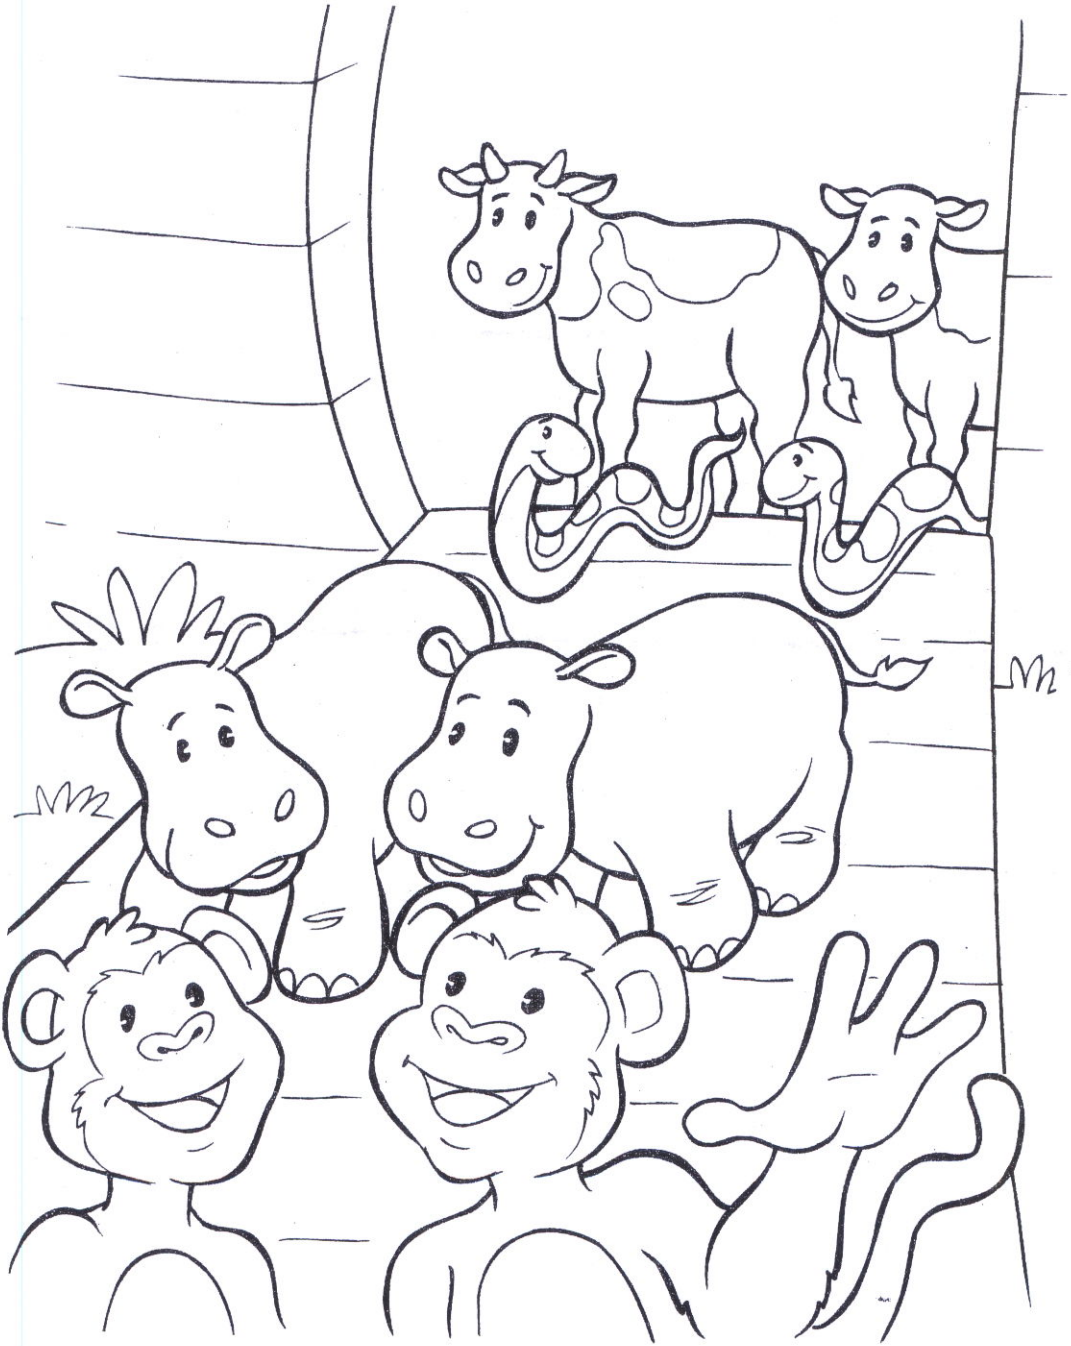

Later the waters began to recede,
and the ark settled on the ground.

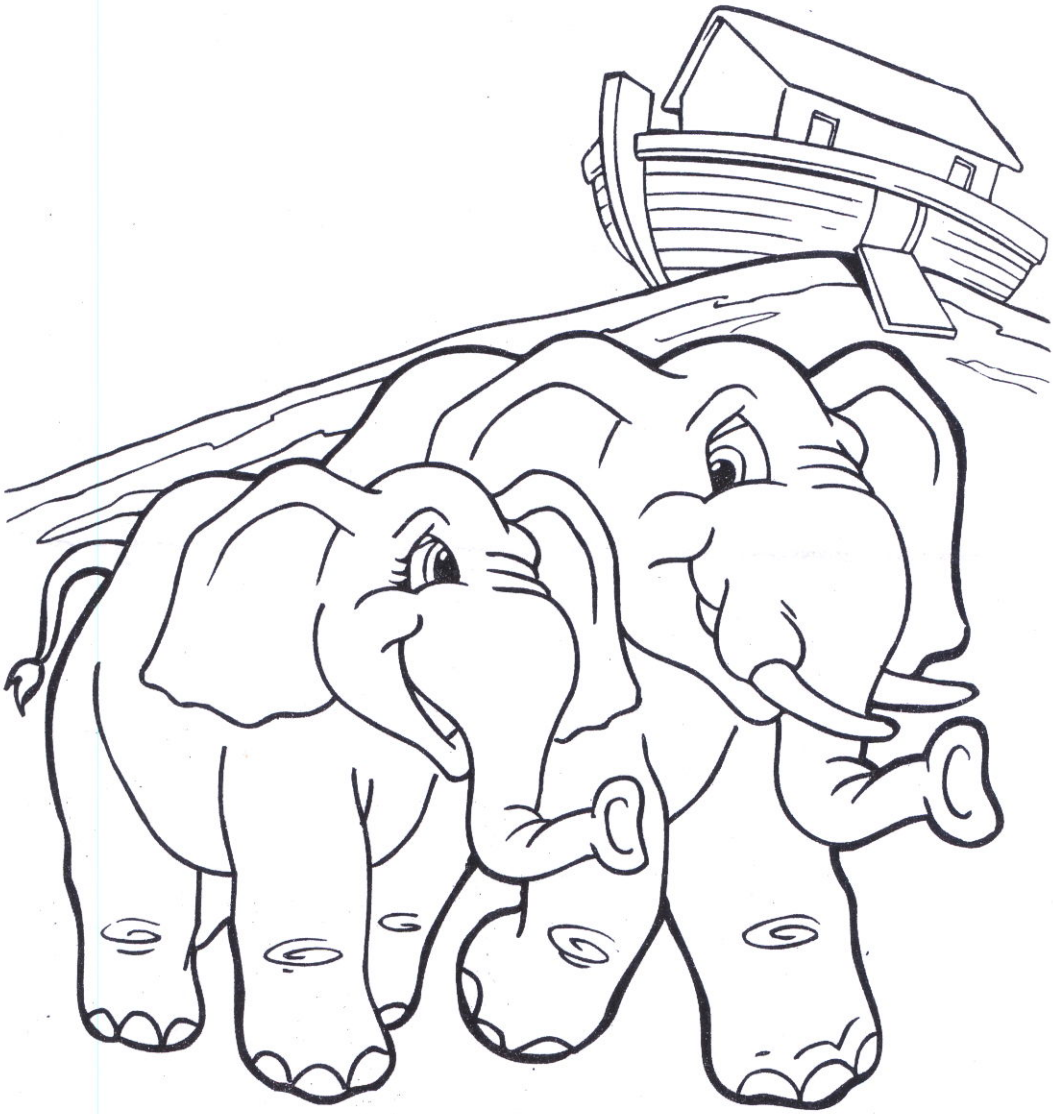

To see if there was more dry land, Noah sent out a dove.

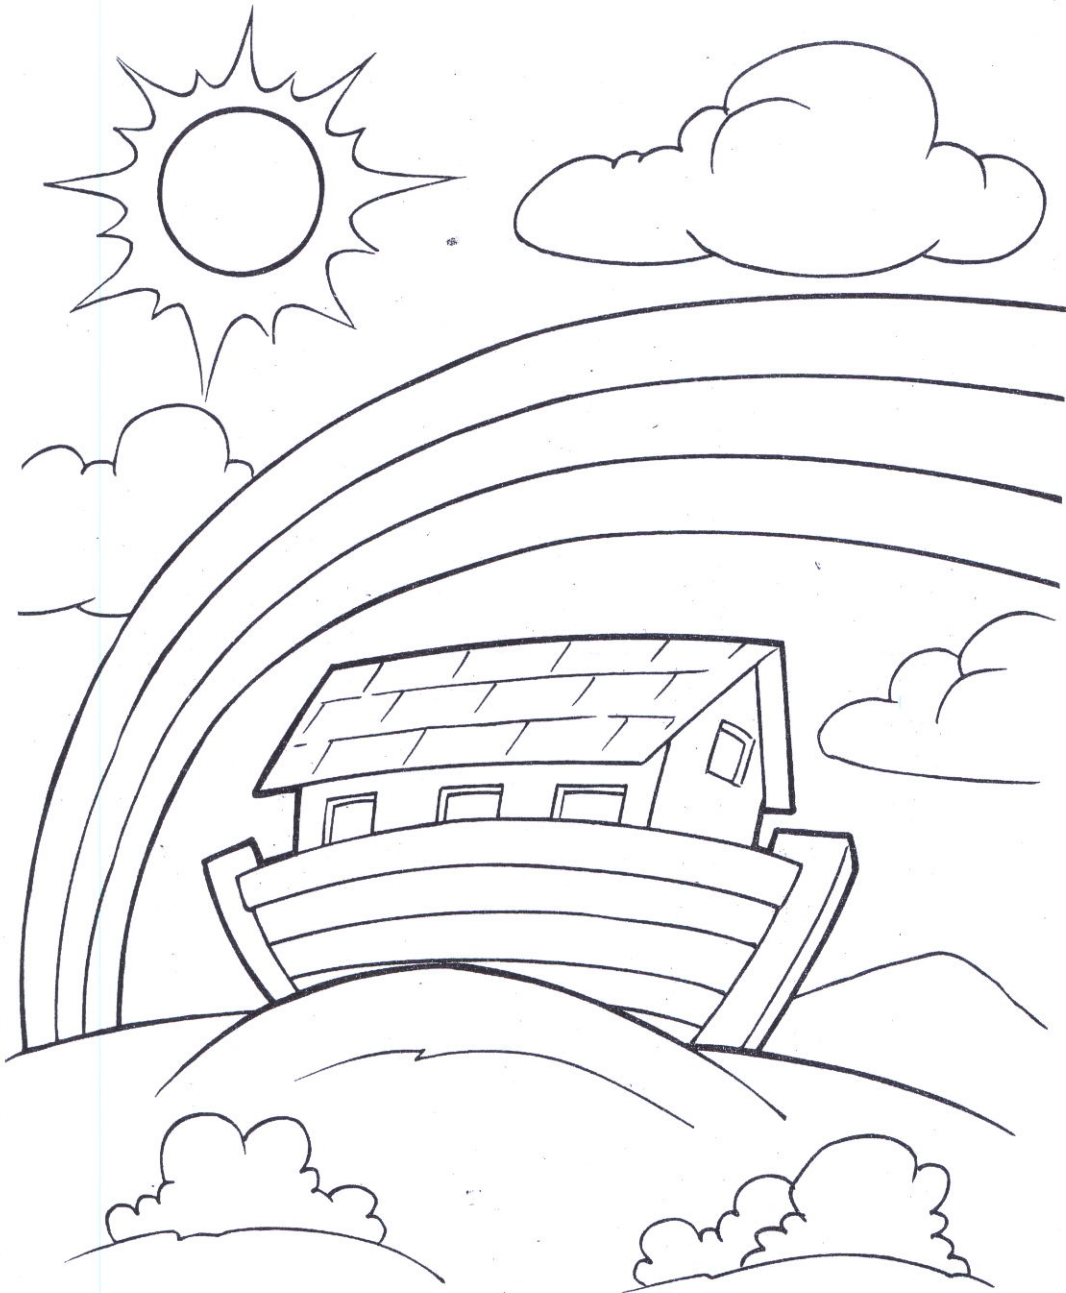

When the dove returned with an olive leaf,
Noah knew it was safe to leave the ark.

Noah thanked God.

God put a rainbow in the clouds as a sign
that He would never again cause such a great flood.
