DANIEL

The Babylonians conquered Israel, destroyed the holy temple, and drove the people into exile away from the land to become slaves. The king picked four boys to be brought to his palace and raised in his service.

One of these boys was Daniel. He was honest, wise and brave. He never forgot the God of his people and only worshipped the Lord. The king made Daniel his special advisor.

This made the Babylonians at the court very jealous of Daniel. They plotted to have thrown into a den of hungry lions. But Daniel was faithful to God and the lions did not harm him.

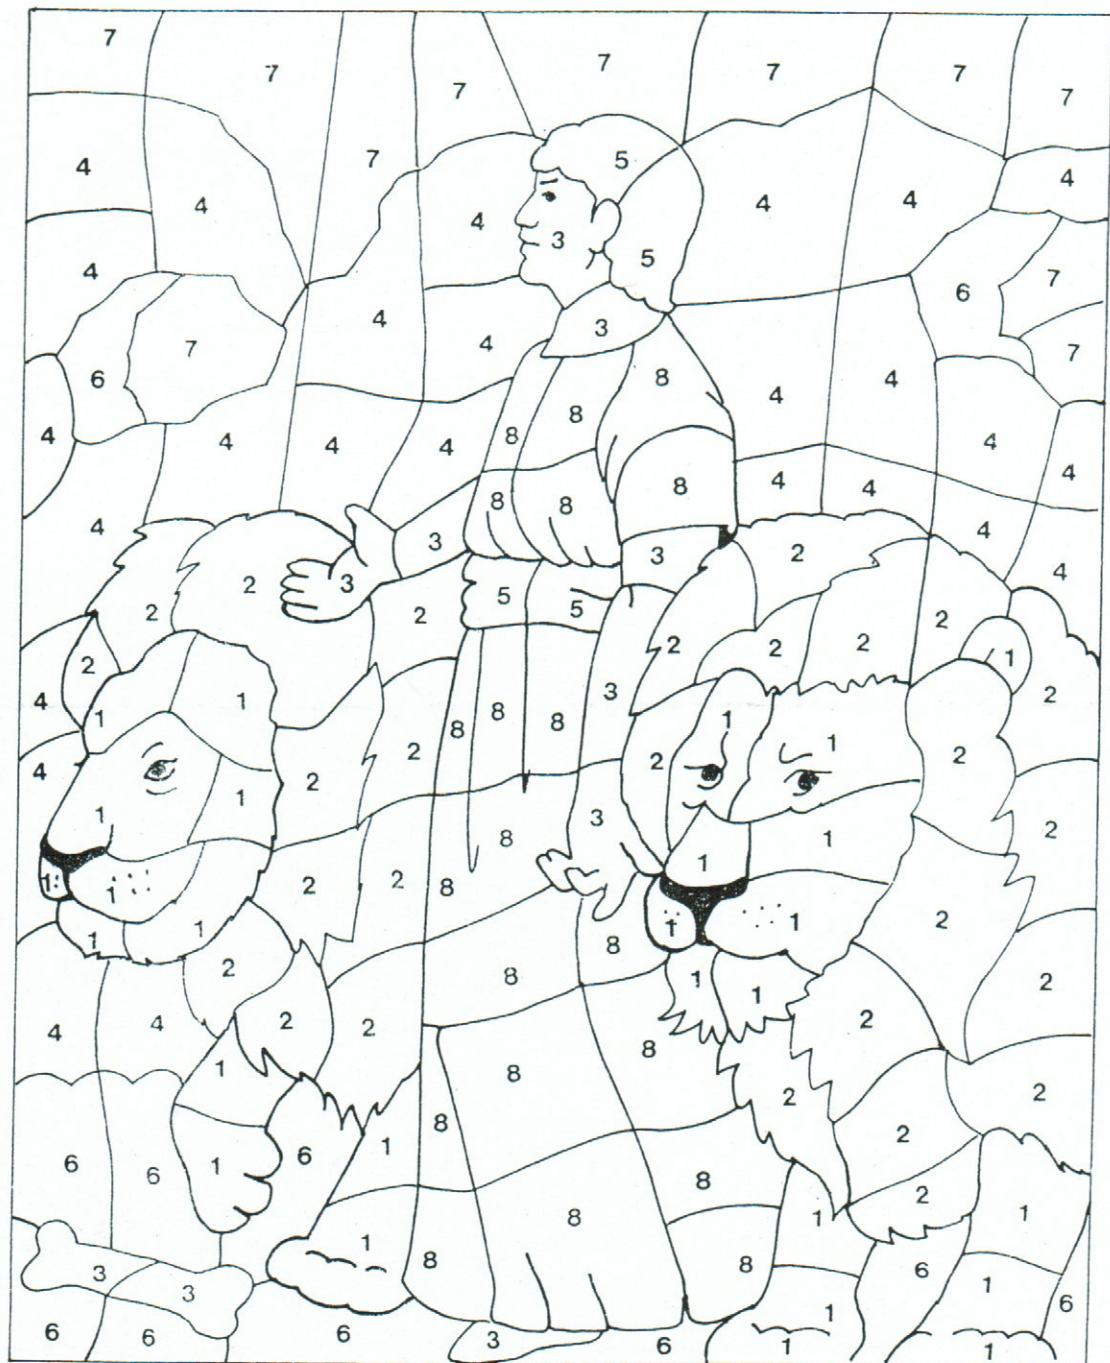

Daniel was a great prophet and comfort to the Israelites.

FOLLOW THE DOTS to see who befriended Daniel in the den.
