**Solomon's Prayer Peel-a-Picture**

**Supplies**

copies of the Solomon's Prayer Peel-a-Picture word strips for each child, enlarged to 115%

copies of the Solomon Prays for Wisdom coloring picture on p. 82

scissors  
crayons  
glue

**Directions**

Cut around the outside edge of the word strips rectangle and along the dividing lines between each strip, being careful to stop cutting at the dotted line. Color the Solomon Prays for Wisdom coloring picture. Apply glue to the right side of the word strips rectangle between the dotted line and the edge only (do not apply any glue to the word strips themselves). Turn the rectangle over and attach the word strips over the coloring page picture area (word side down) by pressing down along the glued side. Peel back each strip to reveal the picture underneath. As you peel back each strip, read and tell that part of the story.

**Solomon was king of Israel.**

**He wanted to be a good leader.**

**God told Solomon to ask for whatever he wanted.**

**Solomon asked for help to be a wise leader.**

**God was pleased with Solomon's request.**

**God helped Solomon and also gave him riches and honor.**
