Hezekiah Prays for Healing

2 Kings 20—Hezekiah Prays for Healing Hezekiah and Isaiah Puppets

Supplies

copies of the puppets for each child
crayons or markers
scissors
brown paper lunch bags (2 per child)
glue

Directions

Color and cut out the puppet faces. Cut along the solid line that appears across each mouth (each face should have two separate pieces). Glue the top piece of each face to the bottom of a brown paper lunch bag. Glue the bottom portion of each face to the lunch bag directly below where the top portion ends (see the example). Use the puppets to retell the story of Hezekiah praying for healing. Tell the story from each character's point of view.
